

BIRTHDAY PARTIES

Gymnastics

An American Allstars birthday party is always tons of fun. Instructors will lead the children in games, parachute activities, Tumbler Trak trampoline, gymnastics circuits, and the bouncer castle. After the gym activities are over guests will gather in the decorated party room to continue celebrating. You can bring any food or drink you want to share with your guests.

Guests should wear comfy clothes & will go barefoot.

Karate - Fitness

At Ryukyu Karate & The Edge Fitness Center your child can invite their friends to join them in an experience they will never forget. Our birthday instructors will lead the children in games, obstacle courses, climbing the rock wall, the bouncer ring, and basic karate training. After the instructor led activities they will gather in the decorated party room to continue celebrating.

Tennis shoes required to climb the rock wall!
