We welcome and encourage all gymnasts to sign up for our 4th Annual Holiday Spectacular the weekend of December 19th and 20th. Athletes will showcase all their gymnastics skills for friends and family. All guests will be invited into the gym, which will be festively decorated, to share in their child's amazing experience. Gymnasts will learn routines in their regular class starting in November and will then showcase their talent at the show under the spotlights. Each participant will receive an American Allstars custom medal and a certificate that will be awarded by a "cool" mystery guest. Our Prep Optional Gymnastics Team members will perform at the end for all to see. Refreshments and snacks will be available following the show for all those in attendance to enjoy.

Tickets go on sale Monday, November 2nd and will be sold on a first come first serve basis. Tickets did sell out last year, so please make sure that you act fast so your child doesn't miss out on this special occasion. Gymnasts who will be enrolled in class for the month of December are eligible to participate in the Holiday Spectacular. The cost is \$35 per gymnast and spectator tickets can be purchased for \$4 each. Families are limited to purchasing no more than 10 tickets during the first week (November 2nd — 7th), to ensure all families have the chance to attend. After the first week you may purchase as many tickets as you need; based on availability. As long as there are tickets available gymnasts can sign up for the show through December 5th. No sign-ups will be accepted after tickets are sold out or once the deadline has lapsed.

This is an amazing event that you are your family will remember for years to come! We encourage you to talk to people who attended one of our previous shows. Don't forget to bring your cameras to capture your wonderful gymnast in action.

Saturday, December 19th
