Special Group Counseling

For those in need of support

For those in aftercare (hospitalization or substance abuse)

For those experiencing major transitions in their life

When to consider counseling

Major life changes

- divorce
- death
- stress
- When things are bad
- depression or mood swings
- anxiety or panic
- marital problems
- child behavioral problems
- Substance or Alcohol Abuse (outpatient)
- Loss of control with drugs/alcohol
- Take drugs/alcohol to feel normal
- Loss of friends and family due to use or abuse of alcohol/drugs
- Loss of job or driving privileges due to use or abuse of alcohol/drugs
- Experiencing any withdrawal symptoms

Other life issues improved with the counseling relationship:

- Effective Parenting
- Eating Disorders

Community Care Services will accept a variety of insurance. Call (313) 389-7525 for an appointment at the site most convenient to you (Lincoln Park, Taylor or Belleville).
