Community Care Services Announces New Board President

Serving God From A Harley

Lincoln Park, MI, - December 8, 2008 – Lincoln Park based Community Care Services (CCS), a mental health and substance abuse agency that takes a holistic approach to wellness, has named Riverview Pastor Blaine Faircloth as their new board president. His duties begin December 11, 2008.

This Pastor brings a fresh perspective. “I may not fit the traditional mold people expect,” notes Faircloth. “My approach is to be active and out there where I can identify with people...everyday people who make this community run...I see riding motorcycles as a part of that, not to mention it’s something I like to do,” he continues.

“Our choice of Pastor Faircloth has as much to do with his ability to reach out to our community as it does with our confidence in his leadership role,” says William P. Walsh, CCS Executive Director.

Faircloth brings a wealth of experience. He is the Senior Pastor of the Riverview Church of God, where he has served for the past 11 years. He has been in the ministry for 27 years serving as a staff pastor, senior pastor, and in denominational administrative positions, in Michigan, New England, and Florida. Throughout his life, Pastor Faircloth has been involved in community service through various agencies and service organizations, endeavouring to creatively influence and energize the community he serves.

Community Care Services is a 501©3 non profit treating nearly 5,000 clients per year in multiple locations. These 5,000 received nearly 110,000 face-to-face contacts in 2007.
