

Dear Supporter:

Undoubtedly you are aware of the difficult economic environment we are facing here in Michigan. Things are much tougher for those dealing with mental illness. For that very reason, Community Care Services, a (501[c]3) non-profit provider of mental health care, needs your help.

Community Care Services has been serving your community since 1985, and provides services to more than 4,000 Wayne County residents each year. Our responsibilities have grown, as have our successes. Unfortunately, funding by the State of Michigan has been cut. In order for us to continue providing critical services we must seek the help of our supporters.

As we focus on our fundraising programs, we are excited about a new western themed fall event, "Blazing Trails to Recovery". The event is designed to raise awareness and help fund the CCS mission and programs which benefit our community and those who most need them. This year we are fortunate to have Channel 4 Detroit news anchor, Devin Scilian, bring his country-western band, Arizona Son, to share a fun evening with supporters like you while reminding folks of the plight of those less fortunate.

Enclosed is information about the Community Care Services 12th Annual Dinner Dance/Auction at Crystal Gardens Banquet Center, Southgate, MI, from 6:30-11:00 pm, Wednesday, October 14th, 2009. Attached is sponsorship and ticket information for an all-inclusive evening of 'down home' entertainment, great food and drink.

Please consider supporting this worthwhile event. Sponsorships and donated auction items are tax deductible to the extent of the law. For details, please call Bill Walsh or Jan Heft at (313) 389-7525.

Very truly yours,

William P. Walsh, LMSW

Executive Director
