Mission Statement

It is our goal to have a complete understanding of our customers' needs and expectations while providing products and services that meet or exceed those needs in a manner that is error-free through each state of the transaction

Delivery

Peerless Steel offers delivery service second to none. With a fleet of trucks that can deliver to Michigan, Indiana, Ohio, and Ontario with next day service. Same day and emergency deliveries are available on request. Deliveries can be made to anywhere in North America via common carrier.

Tolerances

For the full tolerance measurements, visit the Peerless Steel website, under the "tolerances" tab.
